Attendance

If your child is absent, please telephone the school office before 9.45 am to inform us as to why your child is absent. Please do not inform teachers or teaching assistants of your child's absence.

If you do not ring the office, a call will be sent out from the office via Truancy Call. You will then be asked to leave a message. Please make sure you leave a clear message.

If we do not receive a reason for your child's absence the absence will be unauthorised.

Frequent absence can add up to a considerable amount of lost learning and can seriously disadvantage your child in adult life. If your child's level of absence is of serious concern you will receive another letter advising you about improving attendance. After this, any further unauthorised absence may result in the school and the Local Authority taking legal action which could include a fine.

Extended Holidays

Holidays cannot be authorised. If your child is going on extended holiday, please come to the office and complete a form. We will also need to see your travel documentation i.e. return date. Where a child is absent, for more than 3 days, we may visit your home.

E-safety

Parents used to make their children cringe by getting out the old photo albums. But once they were back in the cupboard they could be kept private. Nowadays, social media is taking over and posting pictures, videos and comments online of yourself, or your children, means that they could be out there forever and accessible by anyone. Always think about what is being posted online and who might see it.
