Pretty Muddy

On Saturday 1st July, a group of 9 staff took part in the Pretty Muddy 5km challenge. This involved a 5km race including a range of cross country activities and obstacles and a LOT OF MUD! The staff did this event in aid of Cancer Research. It was a fabulous day for a great cause.

Parents Code of Conduct

Canterbury Cross Primary is proud to be an excellent school that has built up a culture of respect and positive values over many years. Staff take great care to provide an exemplary education for each pupil and the pupils overwhelmingly treat each other with kindness and courtesy. They are a credit to their parents. Our school is very fortunate to have a supportive and friendly parent body. We have a policy to provide a reminder to all parents, carers and visitors to our school about expected conduct on our site. This is so we can continue to flourish, progress and achieve in an atmosphere of mutual understanding. Please see the school website for a copy of the Code of Conduct. Parents are also welcome to request a copy from the school office.

Extended Holidays

Holidays cannot be authorised. If your child is going on extended holiday, please come to the office and complete a form. **We will also need to see your travel documentation i.e. return date.** Where a child is absent, for more than 3 days, we may visit your home. **Due to changes in February this year regarding fines, Birmingham City Council will now issue fines to parents that take their children on holiday.** £60 per child per parent, this rises if the fine is not paid on time.

E-safety

Snapchat has introduced snapmap, a feature that allows users to track other snapchatters exact locations. It is strongly advised that you check devices and enable Ghost Mode and prevent others from seeing your location. Ghost Mode will hide you from other users and will not share your location on the map.

Mr Din's Homework

Summer is a time for relaxing and enjoying a well-earned rest. This week has been assessment week, so I know you have been working extra hard! Why not treat yourself to a fruit cocktail. Design your own fruit based drink, draw a picture of it and create the list of ingredients and method for making this exotic treat!

School closes on Friday 21st July for Summer

School will close on Friday 21st July for the summer holidays.

School will re-open on Wednesday 6th September for pupils as **Monday 4th and Tuesday 5th September are Teacher Training Days.**
