

Canterbury Nursery Summer Term

Dear Parents,

Last half term, the children really enjoyed our topic of pets and animals. The children loved playing in the vet's role play, and they also really enjoyed the visit from the animal man and farm. This half term, we shall be gardening and growing our own flowers.

Our topic is growing and changes

Understanding of the world

The natural world

We will:

- Plant seeds and care for growing plants.
- Understand the key features of the life cycle of a plant.

Expressive arts and design

We will:

- Mix paint to make different colours.
- Paint pictures of different flowers.
- Explore our garden center role-play area.

Mathematics

We will:

- Make comparisons between objects relating to size, length, weight and capacity.
- Continue to recognise and write numbers.

Guided understanding books

- The koala who could
- The lion inside
- The last chip

Water bottles

Please ensure that your child brings only water in their water bottles - no juice.

Homework

Please complete and return homework every Monday.

Book bags

Please bring in book bags every Friday.

Phonics

We have taught the entire letter sounds that we, in nursery are looking at. We will now concentrate on blending these sounds to hear, say and write words.
